

NetImpact Strategies, Inc. is focused on Strategy and Business Transformation, IT Modernization, Data-driven Intelligence, Cloud Services and Cybersecurity. We deliver value through technical and managerial expertise - innovation, efficient processes, executable strategies and methodologies that generate tangible and measurable results for our clients. Our team has extensive consulting experience that allows us to deliver practical solutions to complex problems. Approaching engagements as a partner, we provide solutions which empower our clients to achieve results that align with their mission and strategic vision. We are CMMI-DEV Level 3 Appraised, ISO/IEC 20000-1:2011, 27001:2013, and ISO 9001:2015 Certified. NetImpact is an SBA certified 8(a) Economically Disadvantaged Women-Owned Small Business (EDWOSB).
